We make a living by what we get, but we make a life by what we give.
What an extraordinary blessing it is to live in east Alabama and to have access to the excellent medical care found at EAMC. EAMC’s success is due in large part to the world class physicians and the professionalism of the administration and the staff. But our hospital would not have the success it enjoys without the overwhelming support the Foundation receives from each of you. For 27 years, the EAMC Foundation has used your generous gifts to help build additional facilities, purchase needed equipment, and provide services to the underserved in our community. Through direct appeals and special fundraisers, you have always responded.

I also want to say a special thank you to two departing members of the Board, Tutt Barrett and Jane Moore, who with their combined 40 years of service and leadership have left the Foundation and EAMC in a much stronger position. In their place, we are excited to announce the addition of our three newest members: Vertrina Grubbs, Malcolm Marshall and Wynne Wages.

With your ongoing generosity, our hospital will continue its growth and excellence. The Foundation Board and staff thank you!

Dozier Smith T
Foundation Chairperson

Mandy Finklea
Foundation Director

At East Alabama Medical Center Foundation, we are truly fortunate to have the support of so many loyal and generous followers. Thank you for responding to the challenge to support the many programs we serve. In the past year, we continued to build upon traditions such as the Swing for Diabetes Golf Tournament, our annual Think Pink Survivors Walk and Wine Women & Shoes event with record breaking results. With great anticipation we look forward to the coming year. We have new and exciting events planned, including a very special concert to celebrate and express our gratitude for the many individuals and families who support and sustain us with their time, talents and gifts. The overriding theme of our work is to continue to support and promote programs that sustain and strengthen the level of high quality health care we strive to provide to all those we serve. We serve a wonderful, compassionate community. You inspire us every day to be good stewards of the valuable resources you provide. We would like to offer a special thanks to each and every one of you who contributed time, knowledge, resources and funding in support of East Alabama Medical Center Foundation. Thank you!

The fourth annual Wine Women & Shoes event hosted by the EAMC Foundation was held Thursday, October 20, at Moore’s Mill Club in Auburn. The event was presented by the “platinum pumps” sponsor, East Alabama Plastic Surgery & Spa Auburn. Other major sponsors included the EAMC Board of Directors, Chicken Salad Chick and Cerner. In addition to wine and shoes, the event featured a night of shopping from various vendors, silent and live auctions, a fashion show, and hors d’oeuvres. Most of the men in attendance served as volunteer “shoe guys.” In addition to raising more than $20,000 in donations prior to the event, throughout the night they displayed shoes on silver platters and refilled wine glasses. Jeff Nance was crowned the “King of Sole” for raising the most funds.

The 2016 event raised a net amount of $75,000, which more than doubled the amount raised in 2015, and exceeds the amounts raised in previous years for the EAMC Foundation Breast Health Fund. None of it would have been possible without the help of the volunteers, board members, and eight local culinary partners including Amsterdam Café, Café 123, Zazu Gastropub, O Town Ice Cream, Taziki’s, The Cup and Saucer, Acre and Toomer’s Coffee Company. Amsterdam Café, along with Moore’s Mill Club also provided the “Wall of Wine.” Marketplace vendors included Gus Mayer who, along with The Locker Room, provided the fashion show. Tom “Tommy G” Gassaway welcomed the guests with live music and Auburn University’s a cappella group, “AU Cappella,” kept the fun going all night, along with Aubie.

Other sponsors included the Opelika-Auburn News, Wilson Investment Group, Strategic Wealth LLC, and Frederick-Dean Funeral Home, silver sponsors, and the power pump honorary committee. The Foundation would also like to thank Tracy Young Photography, Chipotle of Tiger Town, AV2U/The Hotel at Auburn University and Dixon Conference Center, C. Wayman Floral & Events, Rex Films, and Tailgate Guys & The Event Group.

“Wine Women & Shoes was a huge success,” EAMC Foundation Director Mandy Finklea says. “Because of the money donated through this event we are able to help underserved women in the community all year long, who otherwise would not receive the help they need.” The breast health fund at EAMC provides mammograms for uninsured and under-insured patients in the six-county area that EAMC serves. This includes screenings, mammograms, diagnostic mammograms, and in some cases, BSGI studies, as well as MRIs and biopsies. This money is also used to help with transportation costs to and from treatment, as well as mastectomy bras and prosthesis following breast cancer surgery.
EAMC Executive Vice President Shares Her Survival Story

July 28, 2008, will always be etched in Laura Grill’s memory. She was an EAMC vice president, had recently been promoted to chief operating officer and was the proud parent of an Auburn University student. She had recently returned from a life-changing medical mission trip to Haiti with the Episcopal Diocese of Alabama and felt she was thriving. “It was surreal,” Laura remembers. “I participated in the discussions and planning for the purchase of a new MRI machine and volunteered to serve as a test patient for the new equipment. I was diagnosed that same day with breast cancer. The timing of the test was providential and a blessing that saved my life.”

Initially receiving the news was terrifying for Laura, who in addition to being a hospital administrator is also a registered nurse. “Suddenly, I became the patient,” Laura remembers. “I was about to experience what our patients go through when they receive this diagnosis.” After collecting herself, she shared the news with her family, and then with no hesitation, she placed her confidence in EAMC’s physicians and Cancer Center staff. On August 8, 2008, she had a bilateral mastectomy and began the reconstruction process. “I was so fortunate to have the love of my family, my church, outreach support groups and the EAMC family. I was hurting and vulnerable. These people all loved me through a time when I did not feel very lovable. Eight years later, I am healthy and cancer-free.” Laura believes the support she received from those around her, including programs provided at EAMC, were instrumental to her personal journey and healing.

Laura says she is truly grateful for the community’s support of Wine Women & Shoes because it raises funds and awareness for early detection and diagnosis. “The proceeds are raised locally, stay locally and directly benefit EAMC’s Cancer Center patients,” Laura explains. “Wine Women & Shoes helps us provide patient support programs and brings the latest advancements in cancer treatment to our community.”
On October 8, 2016, EAMC Foundation hosted the 11th Annual Think Pink Walk in downtown Opelika. The funds from this walk go to help fund mammograms and other needed tests or supplies for the uninsured and underserved in our six surrounding counties. Through sponsorships and registration, the event raised more than $15,000 for the Cancer Center Breast Health Fund.

The HERO Campaign

In 2016, EAMC employees donated more than $68,000 to the Foundation through the HERO (healthcare employees reaching out) Campaign. Funds were divided between five underserved patient funds: CPAP assistance (for sleep disorders), Diabetes and Nutrition Center, maternity care program, outpatient Cardiac Rehab program, and HealthPlus assistance program.

History of the HERO Campaign

The idea of the HERO Campaign originated from our own employees who would “pass the hat” and donate from their own wallet when a patient was in need. The hearts of such employees sparked the idea to create a program to which employees could donate to assist underserved patients. HERO (healthcare employees reaching out) started in 2012 and the “Patient Crisis Fund” was created to distribute those funds. The first year was a very successful campaign, and four years later we are still using those original funds to help our patients in crisis.
